

# Haiti Summer Camp and Birthday Party 2014

Bidwell Presbyterian Church hosted our 5th annual summer camp and birthday party for 140 children in early July. Fifteen people were on the team that brought backpacks stuffed with school supplies, clothes, shoes, candy and a toy to every child for their once a year birthday party. Many thanks to our church, friends and sponsors who sent gifts or funds to make it all possible!

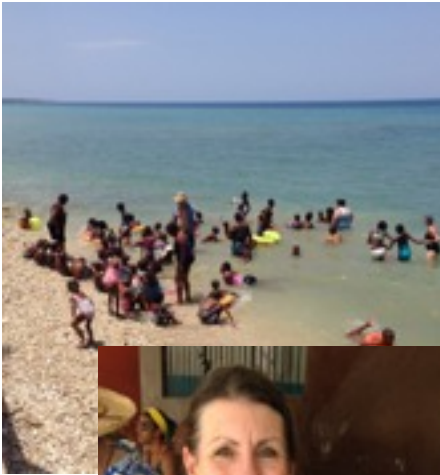

The camp marks the beginning of summer break and is now a tradition that the children really look forward to each year.

Haiti Child Evangelism did a wonderful job each day with Bible stories, songs and verses. They are master story tellers and the kids enthusiasm was fun to watch! Each camp day was full of games, crafts, sports and dance. Lots of fun!

On Saturday we loaded over 80 children (from babies to 12 year olds along with 10 of our severely disabled kids) onto a bus and vans and headed to the beach! To see the faces on the kids and their house moms as they had the time of their lives frolicking in the shallow waters of that beautiful Caribbean Sea was a memorable and joyful moment for many of us.

We are so grateful for all the support we received to make this trip happen. Our hope is that these beautiful children will feel loved and have some special memories of their childhood.

Gladys and her staff at FEH are working to provide the best education and supportive home life possible for these children, in what continues to be very difficult and challenging circumstances in Haiti. God bless you all for your prayers and support over the years. **We are making a difference one child at a time!**
