Inspiration from Haiti

We'd like you to meet Dieunane Matteis

Dieunane recently graduated as Valedictorian from the nursing program at Christian Institute for Technical Studies (C-tech). After completing high school in Port-au-Prince, Dieunane had to return home to her village because she was very sick. Feeling discouraged, she wondered what God was going to do with her life. When she learned of a new nursing school opening in Musotte she became hopeful. Despite being over an hour's walk from her village, she knew in her heart she wanted to attend C-tech to become a nurse. For four years she made the long walk no matter the weather. In her third year she got sick again and had to miss six weeks of classes. Despite this, she was able to maintain the highest score of all the students because of her determination and intelligence.

In her speech at graduation she said, "The key to success is the determination to push aside the difficulties and stay focused on a better tomorrow." She also talked of the fruit of perseverance and the importance of belief in God and in oneself. Today Dieunane is studying for her State Nursing Board Exams and volunteering in a clinic. She hopes one day to open a health care center in her home village where currently there is no medical clinic.

"The key to success is the determination to push aside the difficulties and stay focused on a better tomorrow."

Providing opportunities for people like Dieunane, in education and health care, so that they can achieve their God-given potential, inspires the work of FEH/USFCH.

Each year students with equally inspiring stories graduate from C-tech. It is our hope to turn away no student because of financial need. One year at C-tech including room and board costs only \$3,000. This year it is the goal of USFCH to provide twenty scholarships - \$60,000.

FEH/USFCH is forever grateful for the prayers and donations given over forty years. Great accomplishments have been made because of the generous hearts of many along the way.

Please join us in giving Haitians hope for a better tomorrow.

Scholarship donations may be made via PayPal at usfch.org or by check to (please note "scholarship" in payment:

Where there were problems, now there are solutions.
Where there was despair, now there is hope.

We are humbled and thankful for God's provision. None of this would be possible without friends like you and grantors such as Cross International.

Thank you for your constant prayers and financial support.
