

Steve Smith – Board member since 2013. Steve and his wife, Kate, adopted their first son in 2000 and their second son in 2004 from Gladys’s Rainbow of Love Nursery. Steve has been on the board of several Connecticut-based organizations serving Haiti and became increasingly committed to helping the country’s young people. While on a heritage tour with his sons and two daughters in 2012, Steve was asked to join the USFCH board. Steve was tremendously moved by FEH’s work on behalf of children with disabilities and was thrilled to contribute to the development of the organization. A software engineer at Airgas, Steve has a bachelor’s degree from Manhattan College in Electrical Engineering and post-graduate work in computer science at Florida International University. Active members of Sacred Heart Parish, Steve and his family live in Connecticut, where the winter snows make them think even more fondly of Haiti.
